Dear Friends:

As you are aware, Against Abuse, Inc. is a nonprofit organization that has been serving Pinal County residents for over 28 years. Our mission includes providing shelter and guidance to survivors of domestic violence and/or child abuse, educating communities about the effects of family violence and other abuses, and providing support, prevention and mentoring services to young teens.

Within this one organization, we operate: a domestic violence shelter, a transitional housing program, children's shelter, a Child Fatality Review Team, Supervised Visitation and Exchange Program (La Paloma Center) and a Thrift store/clothing bank. We also provide case management, legal advocacy, community education programs, animal safe homes and various other volunteer driven services. We take great pride in fulfilling the needs of the communities we serve.

Generous donations, such as your checks for \$184.79, are what make our programs possible. Thank you for remembering the many women, children and men that Against Abuse, Inc. serves.

Sincerely,

Patricia R. J. Griffen
Executive Director
